Dreamtime Kullilla-Art

Terms & Conditions applicable to discounted bulk prices – effective 1st January 2017

It is with regret that we find that we have to apply these terms and conditions for the purchase and supply of bulk discounted prices. As a small Aboriginal owned/managed business we find it very difficult to continue offering these discounted prices on 30 day + payment generally required by many Government Agencies and Departments and businesses. Our Suppliers afford us a discount on prompt payment generally 7 – 14 day accounts which we then pass on to our customers however this can only work if our customers reciprocate with payment within 14 days from date of invoice (not delivery).

We therefore announce that our Terms and Conditions for the supply of Aboriginal & Torres Strait Island Products from this Catalogue will be applied as follows (unless otherwise arranged):-

1. Quantity Discount Prices are only applicable on 14 day payment terms
2. Quantity Discount Prices expire after 14 days of date of invoice
3. Discount Terms are 14 days of date of invoice (not date of receipt of delivery)
4. Should invoice not be paid within 14 days (due date on issued invoice) an amended invoice will be issued for the full amount due and payable in 30 days from original date of invoice (single unit price then applies for the quantity ordered and supplied)

If you are wanting to apply for a relief of these discount restrictions or extension of payment period for discount – you need to contact us and make mutually suitable payment arrangements. Unless otherwise agreed to the above Terms of Supply are applicable.

We apologise for any inconvenience this may cause but trust you can understand and appreciate our position – we can all enjoy the wealth if we ALL play the part 😊

if you are not wanting to claim discounted price please put your quantity against the single unit price otherwise please sign acknowledgement of our Terms & Conditions of Sale

We agree to these Terms & Conditions as outlined above
